Office Action

Examiner's Statement of Reason for Allowance

1. Claims 1, 4-6 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record teaches various speaker apparatus thereon, for example U.S. patent number 4,146,756. However, the prior art of record fails to show claim 1, a speaker apparatus comprising said coil bobbin and said diaphragm are located such that sound from said coil bobbin is not reflected and said diaphragm comprises a tab section, and said tab section is located inside said coil bobbin and in combination with all the limitation of claim 1 and claim 6, a speaker apparatus comprises a tab section, wherein said tab section is located such that it rests on the end section of said coil bobbin; and said coil bobbin and said diaphragm are located such that sound from said coil bobbin is not reflected and said tab section is located inside said coil bobbin and in combination with all the limitation of claim 6.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2614 -

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tuan D. Nguyen whose telephone number is (571) 272-8163. The examiner can normally be reached on M-F 6:30-3:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Curt Kuntz can be reached on (571) 272-7499. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
